Boulder, CO – BDT Stage is excited to announce its first online streaming event direct from the stage to your home. BDT Stage will air a live broadcast of patron-favorite *Disenchanted!* on Wednesday, July 1, 2020 at 7:00 pm. Stay tuned after the show for an interactive talk back with the show's cast and creators. This event will be recorded and available for downloadable streaming throughout the month of July. The talk back is available after the live stream only; it will not be recorded.

About *Disenchanted!*

Poisoned apples. Glass slippers. Who needs 'em?! Not Snow White and her posse of disenchanted princesses in the hilarious hit musical that's anything but Grimm. The original storybook heroines are none-too-happy with the way they've been portrayed in today's pop culture, so they've tossed their tiaras and come to life to set the record straight.

Disenchanted! is the Off-Broadway musical comedy hit by Dennis Giacino and Fiely Matias that explores the history-bending misconceptions offered by popular fairy-tale princesses. Having sold out at BDT in two separate runs, this show is back by demand as a digital streaming event direct into your home! An irreverent musical revue taking culture-shaping tropes head on, and tackling the prejudices our favorite cartoon princesses portray in everyday life – it's hilarious, cheeky, and definitely PG-13. With nominations for both 'Outstanding Off-Broadway Musical' (Outer Critics Circle Awards) and 'Best New Off-Broadway Musical' (Off Broadway Alliance), this show contains adult language and content.

The Ultimate Talk Back

After the bows and the curtain drop on opening night, July 1, BDT Stage will host its first ever digitally-streamed Talk Back. Starting at 9:00 pm, join show creators Dennis Giacino and Fiely Matias,

along with the cast, co-directors/choreographers Ali King Meyers and Matthew D. Peters, and producer Michael J. Duran to discuss the play, production, and challenges presented by streaming the show live from a stage normally surrounded by patrons. Stay for this one night only opportunity to get a glimpse behind the scenes and chat with the creative team who put it all together.
